## WE NOMINATE

Leslie Langdon Vivian, Jr., a dedicated Princetonian for well over two decades and an administrative officer of Princeton University since he turned his back on Wall Street in the late 1940's, who has been named to a new University post of mounting significance both to Town and Gown. Effective immediately, this 51-year-old native of New Jersey becomes the University's first Director of Community and Regional Affairs, charged with strengthening "effective relations between the University and the Princeton community," a vital job reflecting what President Robert F. Goheen terms "the University's concern for the entire community and for the mutual interests and the degree of dependence each on the other."

For the past several years, ever since he was promoted from the ranks of research executives to the University's Central Administration, Vivian has become more and more involved in community affairs. A director of the Greater Princeton Chamber of Commerce and Civic Council and increasingly active in the Middlesex-Somerset-Mercer Regional Study Council, a citizen planning organization for the three-county area, he has been devoting long days, including weekends and countless evening meetings, to coordinating the University's responses to community housing needs and developments, zoning and tax proposals, public safety and the policies of municipal bodies.

Vivian's approach to his responsibilities was clearly indicated by the key role he played last March in the highly successful open meeting jointly sponsored by the Princeton Area Council of Community Services and the University's Committee on Relations with the Local Community on the broad topic, "The Challenges of a Modern University Community." Gathering in the School of Engineering and Applied Science, some 330 Princetonians — residents of varying ages,

professions, race, sex and opinions — in 15 simultaneous workshops searched for new directions in such basic areas as housing and land use, drugs, educational, cultural and recreational resources.

A past president of the Princeton Class of 1942, and a decorated Army veteran of World War II, who served for some four years with the 13th Armored Division, Vivian brings to his portfolio a wealth of administrative experience, including 15 years spent with the Office of Research and Project Administration. He is a former Assistant to the Chairman of the Department of Physics and in recent years has held the titles of Director of University Relations and Director, Regional and Governmental Relations.

Deeply interested in all facets of Princeton life, Vivian will roam somewhat beyond Princeton and its environs in that his defined functions embrace the State of New Jersey — the general public, civic organizations and institutions as well as county and state governments. A member of the Youth Concerns Committee of the Council of Community Services, a director of the United Community Fund, and Secretary of The Princeton Arts Council, he is a former Elder of the First Presbyterian Church, a recent trustee of Princeton Hospital, a former Assistant District Commissioner of the Boy Scouts, and is extremely proud that his wife, the former Anita L. Willis, of Great Neck, N.Y., has succeeded him as a First Church Elder.

For his awareness that cooperative planning is apt to be the glue holding society together; for emphasizing the urgent need for more and continuing communication between local groups, and between the University and the community of which it is part; for seeking courses of action to achieve the maximum mutual benefits from relationships linking town and gown, he is our nominee as

### ONE POLICE CHIEF?

Question to Be Discussed:  
With Princeton Township's  
two police chiefs, is this a  
good time to consider a re-  
gionalized consolidated force  
with the Borough?

Borough Council had asked  
Mayor Robert W. Cowley to  
open the subject with Town  
Supt. Mr. John D. Wallace.  
Mayor Cowley reported Tues-  
day night that Mayor Wallace  
suggests a conference between  
the two police commissioners:  
Robert W. Cowley, the Mayor  
of the Borough, and William L. Wilson  
for the Township.

Mayor Cowley said he would  
join the discussions, too. Ma-  
yor Wallace is presently on  
vacation.

**All-Evening Swim.** If the  
proper lights could be obtained  
at Recreation Director Donald  
Barr would agree to have  
night use of the Community  
Park Swimming Pool and the  
area around it, reported Coun-  
cilmam Alice Male.

The two questions: where to bar-  
row the lights and the \$10,000  
summer expenditure before investing  
\$60,000 in permanent  
lights; and who should make the  
move, the Recreation  
Commission or a Borough-  
Township governing body?

Councilman Hendry joined  
Mrs. Male in her interest, and  
Town Clerk Carl J. Corso  
said it wouldn't be all  
that difficult to set up tem-  
porary lights right now, and in  
the end all three agreed to  
persuade the Recreation  
Commission that we mean  
it.

Mrs. Male and Mr. Hendry  
repeated their desire to have  
community facilities available  
full-time. How about having the  
library open seven days

GAMES IN A BUBBLE: The Middle Schools' bubble gymnasium will look like this at night. This photograph (taken in 1968) shows the new 60x130-ft. padded floor that will be used for youngsters in Princeton's Middle School. It will be connected to the Community Park School. Floor-space in the bubble is more than double the size of the Valley Road-Community Park gym combined.

a week, particularly Saturday  
in summer?" they asked.

**One-Hour Meters.** Urged by  
the Chamber of Commerce  
Council introduced an ordin-  
ance changing the 80 minutes  
from half hour to full hour.  
Parkers could still, however,  
buy six minutes for a penny.  
Public hearing Thursday, Sep-  
tember 10.

Mr. Hendry told Council and  
audience that the Borough's  
Traffic Safety Committee op-  
posed the ordinance. "It will  
increase the traffic volume  
because drivers will be  
paying vacant spaces," he  
warned, "and it's the equiva-  
lent of eliminating actual  
parking spaces."

### Football Series Starts

The first in the annual series  
of four articles on Princeton's  
football prospects this season  
— an analysis which first  
appeared in 1953 — is presented  
on page 21 of this  
week's issue.

He added that he also on  
posed the ordinance but was  
voting "yes" to get it intro-  
duced onto the table for  
consideration.

Councilman Fred Peterson  
pointed out that some 80 bus-  
nessmen had signed a petition  
asking for the one hour limit.

Frederick Garrelson, owner of  
H. P. Clayton, said it was no  
longer possible to shop in half  
an hour in Princeton.

**More Motor-Feeding.** "I'm  
always swayed, frankly, by  
prodding from a segment of

the public like these business  
men," commented Councilman  
Cowley, "but I don't think it's  
right, and if it does, I hope the  
60 businesses will feel oblig-  
ated to discourage their em-  
ployees from meter feeding all  
day."

Mr. Hendry was about to study all  
day meters on side streets.

"Sooner or later, we must  
solve the real problem of traf-  
fic and parking," warned Ma-  
yor Cowley.

Traffic around Princeton  
High School will be regulated  
under another ordinance in-  
troduced Tuesday with public  
hearing September 10. It cov-  
ers the old Walnut Lane park-  
ing lot and the area of the  
circle in front of the building,  
setting up rules for parking,  
standing, stopping, through  
travel and speeding, but not  
what gets to park where.

That's the school's prob-  
lem, the Mayor said with some  
relief.

Another new ordinance re-  
stricts dances, allowing only  
one at a time, and prohibiting  
interference with a parade  
in progress.

**No Discrimination.** The Fair  
Housing ordinance was passed,  
allowing a complainant to take his  
case either to the Joint Civil  
Rights Commission or to  
Borough Magistrate's court,  
as he chose.

Asked who would do in the  
investigating, Mayor Cowley  
said that was up to the com-  
mission. Max H. Zimmerman,  
a member of the Commission,  
said the Commission would  
help.

When the League of Women  
Voters filed a complaint against  
a temporary restraining order  
from the court, or perhaps a

**University Acts.** John Rhubarb, 7 Leavitt Lane, wrote in strong terms to protest in behalf of young people in front of Nassau Hall. He called the area a "immature Woodstock" and said he wished the father of a 16-year-old daughter had found possible crime in children.

Mayor Cawley replied that the University has taken action (see elsewhere). Towns of the Towns Act to restrict use of the campus at night, adding that Borough police would be called in to cope with such serious offenses as loitering and drugs. He said the use of narcotics had been observed in front of Nassau Hall, and he suggested that the area attracted out-of-towners looking for action.

"I hope we don't panic over the differences in life styles between the generations," he commented. Councilman James Andrew said "it would be a tragic error to take repressive action against a life style. I don't happen to understand."

Mayor Cawley said the University was "stay far away from repression" and he told Council the University had

#### Meeting Dates Changed

Because of the calendar pattern around Labor Day this year, two municipal meetings dates have been changed.

Borough Council will meet Thursday, October 10 instead of the usual second Tuesday of the month. The meeting will be held at 8 p.m. in Borough Hall, as is customary.

The Princeton Regional Planning Board will now begin to implement University's street-changing plans on Wednesday, September 9, also in Borough Hall at 8 p.m. Normally the board meets the first Tuesday of the month.

been reluctant to take the step announced this week.

After all, the University's open-air, non-campus games symbolized its outreach to the community, the mayor pointed out.

Praising the University's action, Mr. Hendry then spoke gloomily of the use of the Wodrow Wilson reflecting pool as "a highway to a dead end." "Are you going to call a halt?" he asked.

Police Chief Peter J. Mc

Crohan said he "heartily agreed" with Mr. Rhubarb's letter and wished other adults had the same attitude.

### CAMPUS USE CURTAILED

**No Visitors after Nightfall**  
Use of the front campus areas after nightfall will be prohibited, Princeton University announced this week in a move to curtail public camping at virtually all hours in front of Nassau Hall. The front campus areas are welcome," the statement asserts, "but after 8:30 p.m. no one will be permitted to sit or congregate on the front campus grounds." Princeton also reminded the University continues "that unlawful activities for example, the sale of illegal drugs, are strictly prohibited on campus property. Violators will be subject to arrest and prosecution."

is new-born hay!

The hay, grass, or whatever, isn't growing with accustomed speed these days, as a prolonged dry spell takes hold. This is the first of 1970, but is already beginning to make its effect felt.

Temperatures and humidity higher than normal for August are forecast for the next few days. There may be a shower or two along about Friday or Saturday, but no real rain is in sight.

To me and the campus had been a kind of sanctuary because Borough police weren't going in. Presumably the University's own proctors will police the place."

A further admonition is directed toward the appearance of the campus. "Please help us or let us know if the University's Grounds crew and attractors," the statement requests. "Refuse containers are provided at various places."

The announcement on policy was made at further points out, because "the University is moved especially by a concern for the well-being of all members of the Princeton community, including younger and older residents of the town, members of the University and visitors to the campus. The objective is to maintain the campus and its front lawns as attractive areas for the period of enjoyment of all these people."

Comments and suggestions may be sent to the Office of Community and Regional Affairs, 317 Nassau Hall.

### ZONING STARTS ROLLING

In Township. The first in a series of long awaited amendments to the Township's zoning law will be introduced Monday night at a public hearing scheduled for September 1.

It's the Education District amendment, and according to Administrator Joseph R. Nini, it contains "no big surprises."

On Monday night, public hearing will be held before Township Committee on the proposed First Housing ordinance. The first zoning amendment will be passed Tuesday night.

Zoning amendments next on the Township's list are the Commercial Zone which is almost ready; the Engineering (Office Research) Zone and finally the Residential districts. The Township Planning Board will meet alive after formation of the Princeton Regional Planning Board, in order to complete work on the zoning amendments. It will be disbanded once the zoning job is done.

### 90 DAY STAY GRANTED

For Incinerator. The state has given Princeton's Joint Sewer Operator committee the requested 90 day period in which to bring the incinerator up to new state air pollution control standards.

The 90 days ends November 1. This Friday, stiffer state standards of pollution control are scheduled to go into effect. *Continued On Next Page*

Your  
savings  
are  
spending ...

Spending time not earning interest for you. That's costing you money. And that's not good. If your savings account doesn't pay interest from the day you make a deposit

to the day you make a withdrawal, you have a dollar gap. At Princeton's First, we fill that gap. Fill it with interest on your savings. Interest that starts building the day you bring your deposit in. And doesn't stop until the day you take the money out. That's fair. So remember—

**Princeton's First  
pays interest  
from  
day-of-deposit  
to  
day-of-withdrawal.**

We pay interest on all types of savings plans. Regular accounts pay 4 1/2% from day-of-deposit to day-of-withdrawal—as long as you have a minimum of \$25. In your account at the end of the quarter. And it's compounded quarterly too. You can also choose from the Investment Passbook at 5%; the three-month certificate at 5%; the one-year certificate at 5 1/2%; and the two-year certificate at 5 3/4%. At First National, there are lots of ways to keep your savings earning instead of spending.

What could be fairer?

example, has a relatively new incinerator with a greater capacity than Ewing needs. Ewing might pay a regional authority for disposal of its own waste, and get money back in the form of payments from other municipalities using its incinerator. Princeton, with a functioning incinerator, might become a disposal point, too, although its location on the very edge of the county, might be undesirable because transportation costs can be high.

The idea is to save money, and that's what the town then —Continued on Page 12

Intime's Summer Is a Hit

## News Of The THEATRES

Beautiful, beautiful black ink fills Summer Intime's ledger to the point of standing room only!

This was the third summer for the undergraduate theatre, younger brother to the University's long-established Intime. Intime, too, was a success right down the aisle. The final performance is this Saturday night with Misalliance."

"We took a chance this summer and doubled the number of films we offered," points out Daniel Berkowitz, the young, relatable man from Summer Intime, and last year's executive producer for Theatre Intime. "And only three of the 11 films weren't sold out. The rest all sold, and we turned people away."

In live theatre, four plays were given in repertory on the little Murray Stage, the student stage. Every Friday and Saturday night was sold out, and there were waiting lists with as many as 60 names.

The closing production of Tennessee Williams' rarely presented *Eclectrics of a Nightingale*, set in all time record to the highest box office take in all three summers.

## "CATCH-22"

IS THE MOST MOVING, MOST INTELLIGENT, THE MOST HUMANE — OH, TO HELL WITH IT! — IT'S THE BEST AMERICAN FILM I'VE SEEN THIS YEAR!

It comes as close to being an epic human comedy as Hollywood has ever made! Alan Arkin as Yossarian provides the film with its continuity and dominant style. Arkin is a deadly serious actor, he projects intelligence with such mono-maniacal intensity, he is both funny and heroic at the same time. Nichols remains, as he was before, one of our finest directors."

VINCENT CANBY, N.Y. TIMES

"IT'S ONE HELL OF A FILM! A COLD, SAVAGE AND CHILLING COMEDY! Firmly establishes Nichols' place in the front rank of American directors."

BRUCE WILLIAMSON, PLAYBOY

"Viewing Arkin is like watching Lew Alcindor sink baskets or Bobby Fischer play chess. A virtuous player entering his richest period! A triumphant performance!"

## IT'S NEW To Us

### NEW LOOKS AND LENGTHS

At Flemington Fur Luxury and light-hearted furs — created by Flemington Fur Company — are available in designer-hair new looks and new lengths of the future.

Previewed at a showing at the River's Edge in Lambertville with buyer Eileen Merriman, a commentator, the collection is keynoted by a longer, gracefully slender silhouette.

Hemlines, a matter of grave concern, have a certain indecisiveness at this point — so you have great freedom in choosing the length that is most flattering for your figure. The "Flemington" furs have lengths slightly below the knee to mid calf — although there are some extremely attractive walking coats, a dants coats ending at the top of the knee. So choose your length, and be happy.

Flemington Fur is a most unusual furrier. Its customers come from all parts of the country these days. By car, bus and private plane — a tribute to its quality furs and workmanship.

The first collections

were presented to women

gathered at charitable affairs

and advertised on a modest scale.

Today, it is the largest quality fur company in the United States. Their first showrooms have been expanded 14 times but still, as in the first year, the company buys its own pelts, handles the design of fur garments, styles them, nerveously, the workmanship of each fur, and garments sell directly to the customer on their own premises. You can go through the workrooms, if you like. It is a fascinating experience.

This year's collection's

**FURS IN YOUR FUTURE:** Here's a versatile parka of frosty French rabbit with an incisive goggle collar to be worn up or down, leather-trimmed slash pockets and a zip front for bush warmth (about \$150). And natural raccoon makes a comeback in an ankle length, double breasted coat, man-tailored with deep pockets and a wide collar (about \$750). Both at Flemington Fur.

great star is a waist cinching row, double breasted type, coat of natural Russian crown sable with a flat, round collar. The trim gouché pants flare just below the knee and have deep side pockets. (around \$450). And here's another very popular item — the Camellia sheared mink coat in this year's collection, very cleverly worked horizontally and accented by a wide collar (about \$180). And a "conversion piece" — in teninch white Mongolian lamb with the thick, notched collar of natural badger and a slip loop if leather binds the waist (about \$500). For fun, check matching mittens and knee-high spot boots in natural buckskin.

A pants suit (for the football girl) this fall could well be Flemington Fur's gouché look design in natural brown, white and tan calfskin. Slightly shaggy and beautiful, you'd wear it with slacks, knee high boots and a flat-topped, wide-brimmed hat. The jacket is a nar-

There's also the Town and Country room where you'll see a collection of hats and suits made of them fur-lined or fur lined. Here also are the magnificent for hats. And over in Turntable Junction a few squares away is the Hat Box in Hat, a great boutique for the young sophisticate.

**FABRIC SHOP OPENS**  
In Kingston, Canal Fabric Shop, just by the turn-off side of the Kingston Bridge if you're coming from Princeton, opened July 11 with a cottage full of interesting materials.

"We're going to try to feature things that most of the fabric stores don't have," according to Mrs. Peggy Swanger, owner of the new enterprise. "We won't be buying huge bolts of the same material — so our customers won't have to compete with each other every time they go."

With a horseshoe tacked on the wall behind her for good luck, Mrs. Swanger has opened the only fabric store in South Brunswick Township.

SHOPS

She has a great variety of things in reasonably small quantities — ranging from stretch terry (people tell me they haven't been able to find it) to lace — to a selective, beautiful collection of paneled velvets.

Fame velvet is a supple material to drapery. It's a knit that looks like velvet. "This is a fabric that is going to be worn a great deal this fall," Mrs. Swanger predicts.

We've tried to assemble an exceptionally attractive collection of poncho and greatcoat weight pure woolens. (60" wide, \$39 yd.) Some are the dark, rich plaid in navy or green. There is a lumberjack check in reds, blues, a chocolate brown with a faint black cross bar among the others.

"Schools are so hot nowadays," Mrs. Swanger observed as she showed us the Wool Perma Press collection. "These are nice for school clothes, and nice for office too, we thought." Perma Press, easy care material that looks like a heavy textured fabric, but can be turned in the washer and dryer without problems. The prices range from conservative to youthful wild prints.

The Canal Fabric Shop has many washable materials of bonded Denim and Orton. Some are extremely wearable plaid. And bonded activites that look like wool are a new one for us. (For some reason, we can't tolerate activites — \$2.65 yd.) These have a kind woven look, and the bonding permits you to skip the suitcase of lining.

We noticed Bates prints — most of them dark for fall — at school in a great range of patterns. The colors are the familiar earthy earth colors. Most are wide, although you'll find a few pinwales.

There are light-weight pure wools (under \$3 yd.) we saw a rosy red to match your lip stick; a ridged hedge, pastel pink, and a loose weave grey.

Canal Fabric keeps its inventories in a marvelous old trunk and its findings along the wall. Fringes for your poncho or a tweed skirt — and braids in a select variety from metallic to weave are all 25 cents a yard.

Canal Fabric Shop is open from 10 to 6 every day except Sunday. It's a small shop. It's easiest to reach if you take the first possible right turn as you leave the bridge, and follow the little side road past Millstone Inn on parallel

And for posterity, we'd like to record the Canal Fabric Shop's first customer — a lady who had been shopping with Mrs. Russo, who lives across Main Street from the shop, came in early because as she told Mrs. Swanger, "I want to be your first customer." She browsed and browsed, settling finally on material for kitchen curtains — which she's making by hand.

## You Have Equal Opportunity to Rent This House

The shabby, run down house at 236 South Main Street, Pennington, will be revived, spruced up, subject to planning, and then offered for rent to a middle-income family.

The Association for Equal Opportunities of Hopewell Valley is owner and landlord. The group raised money to buy the house from a man, 300 members, and obtained a low-interest loan from the First Presbyterian Church, Pennington, for remodeling.

Volunteer hands from the Association and the Pennington community will pull wood, saw wood, nail timber and dip paint brushes. By January 1 or so the Association hopes a family can move in.

The house is structurally sound. Remodeling plans include new heating, plumbing and wiring systems. An electrician who belongs to the Equal Opportunities group has volunteered to do the wiring. If a member of the group isn't happy to belong in or is unwilling to contribute with pipes, Robert Tucker, an architect who is a member, has drawn the remodeling plan.

Pupils from Pennington schools and some Girl Scouts will be invited to volunteer along with members of the Association who think they are handyman.

"We're going to rent the house for what it costs to carry it, in terms of our loan

**RICHES BEFORE FREEDOM**  
Killer Seeks \$50,000. Jose Soto, who had to be judged mentally fit before he could stand trial, is a former employee of bank teller Kurtis Pfister, who is spending his days behind bars planning for the future. If the appeal for parole will make at some future date is successful, he hopes to walk out of State Prison with \$30,000 in his pocket.

That's the amount for which Soto is suing Michael J. Bajek, warden of Mercer County Jail.

**HOUSE FOR RENT:** This house in Pennington has been bought by the Association for Equal Opportunities of Hopewell Valley, and after members of the Association have rehabilitated it, the dwelling will be rented to middle-income families. Mr. Clark will be in charge of the re-habilitation.

and the \$500 a year taxes," explains Mrs. Albert Seling, president of the Association. She adds that the group hopes this will be only the first of other projects.

The current president of the Association for Equal Opportunities is Mrs. Charles Scott.

He holds Mr. Bajek responsible for the time he spent in the Princeton jail last spring of 1968, after he had slashed his wrists while awaiting trial for Mrs. Pfister's killing.

It was in February, 1968, that Soto walked up to the Princeton First National Bank and Trust Co., pointed a gun at Mrs. Pfister and demanded money. When she exclaimed, "You've got to be kidding," he shot her.

Within a fortnight, Soto was arrested in New York City acting on a tip supplied by Princeton police. He pleaded to Mercer County jail, but used a makeshift knife in an attempt to commit suicide.

Plague Burnough and Townships. Petty thieves are busy in both Burnough and Township last week lifting wallets, tape recorders, a cash register and even four half kegs of beer.

Engines 1 and 15 had been hit plus another half keg of birch beer from its picnic area at Squatters Grove on Quaker Bridge Road. The kegs were left behind an open door and covered over in a dark Saturday night and were gone the next morning by the time Donald Woodward of 15 Dodge Road, a member of Engine Co. No. 3, showed up.

Tape recorders were reported missing by Anne Bassweiler, 130 Library Place, who left them in the back of her car. She was seen to play tennis at Community Park Courts on July 24, and Wesley Cowen, who left his in the main dining room of the Inn overnight on August 3, and could not locate it the next day.

Mrs. Helen Glover of the Betty Wright Shop reported her wallet was stolen while she was eating the same sandwich between 2 and 5:30 p.m. on Monday. No value was given.

On Saturday, a newspaper delivery driver spotted a purse lying on the front lawn of 22 Jefferson Park and the front door open. Subsequent investigation revealed the purse belonged to Mrs. Jeanne Richardson of the same address. Mrs. Richardson told police she had left her purse in the living room the night before.

She said she and her teenage son heard noise in the house around 1 a.m. but did not leave. Since \$100 in cash was taken from the purse.

Later that day, in the Marquand Park parking lot, Patricia Suceop, 30 Greer Avenue, Princeton, whose purse was stolen from the glove compartment of her car between 5 and 8:30 p.m. It was found two days later in the park.

On Sunday at 4:30 p.m., Mrs. B. Bunting, an employee of Westminster Choir College, reported her purse missing from her desk. The purse was later recovered in another part of the building, but a pair of gold earrings, a gold bracelet and \$50 in cash, for a total value of

## BUSINESS In Princeton

### "CHARLEY'S BROTHER"

New Restaurant to Open. When the customers like the food, they'll come back for a second time.

That's the idea behind a new "Good Time Charley's" restaurant, due to open soon just outside Hopewell on the Route 518 Spur of Broad Street.

Charley's Brother will be the new name of the restaurant, formerly the Tin Coachman, and before that, Hopewell Manor, has been purchased by Merrill Dodge, owner of Good Time Charley's in Kingston. Mr. Zinder opened the Kingston Charley's slightly less than a year ago.

The two dining rooms in the new location will be furnished in the Charley manner—dimly lit, cozy, informal, pleasantly littered Victorian. With a lot of postage-stamped artwork.

The cocktail lounge will serve live music for listening, dancing and drinking live cocktails. Banned facilities, parking an armful in the building, and no smokers welcome.

"Charley's Brother" will be open seven days a week for dinner, and Monday through Friday for lunch.

"The same delicious food and good cocktails we serve at Charley's in King Zinder," proclaims Mr. Zinder.

Operating revenues for the second quarter of the year totalled \$1,824,000, an increase of 42 percent over the first quarter revenues of \$1,352,000. Proprietary software sales increased to \$339,000 for the second quarter, compared with \$352,000 for the first three months of the year.

Commenting on the marked improvement in sales, Mr. Bennett stated that the company has essentially met its goals for the second quarter. "In May, we projected that second quarter operations would be at or above break even level. We believe that we have met this goal."

### APPLEGATE'S CONTINUES

**Under New Management**  
Applegate's Floral Shop at 47 Palmer Square West has been sold to James Kurzawa of Scotch Plains.

The changeover took place on Aug. 1.

Mr. Kurzawa, who formerly managed a flower shop in South Plainfield, is assisted by his wife, Nancy, a secretary treasurer. The new owner will continue the Applegate name and services.

**TWO BURGLARIES REPORTED****One Man Apprehended.** In two cases of breaking and entering last week, Borrough Po-

lice apprehended a suspect in the Food Mart, 20 Witherspoon St., who, after four days, after ransacking the Township home of Mr. and Mrs. Frederick Harrison, 130 Hartley Ave. ne.

George Gilbert, 21, Harrison, Princeton Junction has been charged with breaking and entry and being under the influence of narcotics after he was arrested at the Food Mart at 11:30 p.m. Friday by Detective Timothy Huzing. An employee of the Food Mart at the time of his arrest, Gilbert was released in \$1,500 bail the following day to await court action.

Meanwhile in the Township on the same day, Henry Hariston returned from work to find his parents' home completely ransacked, and a sliding glass door from the master bedroom was shattered and smashed. The senior Harristons are on vacation and it is not known what may have been taken.

Early Saturday morning, Mr. Harrison called police again to report he had heard a man outside his bedroom. Ptl. Marlin Musso responded and the man of the house identified himself as Mr. Harrison, who he had chased a suspect to Washington Road before losing him.

**POLICE CALLED TO INN On Heroin Tip.** Responding to a tip that two youths were "shooting" heroin in the men's room of the Nassau Inn, the police went to Palmer Square shortly after midday Monday.

**Check That Football Ticket**

Police still planned to buy tickets to the Joyce Football Classic between the Giants and Eagles, September 5, should beware of anyone offering tickets at less than the established prices.

The Dorothy House on John Street where the Joyce classic was held on Saturday was broken into Saturday.

A metal wall cabinet was pried open and an undetermined amount of cash and tickets to the game were also left strewn on the floor.

Windows were broken on the north and west sides of the building to gain entrance.

Where  
can you find  
real beauty?

A great poet once said,  
"Beauty is in the eye of  
the beholder."

The Bible shows that  
beauty is a quality of  
God, who is the Soul  
of man.

This means that all the  
beauty we could ever  
hope for is already  
present in our own real  
consciousness. But to  
find it, we need to  
turn to God, and to see  
ourselves in relation to  
Him — the source of  
true beauty.

Christian Science can  
help you do this. The  
Bible Lesson on "Soul"  
to be read in our church  
this Sunday is a good  
place to begin.

You are warmly invited  
to come.

will the conditions of pregnancy, labor, delivery and answer questions  
about the appearance of the newborn baby. A nurse from  
the maternity department will also tell all the parents what to  
expect when the mother is admitted to the hospital.

**ZONING APPROVAL GIVEN**  
For Nassau Savings Bank. The Loan  
Association has been granted a  
variance by the West Windsor  
Township Zoning Board to con-  
struct a building on Princeton  
Highstown Road near Cran-  
berry Road.

The building, expected to  
cost most \$200,000, would  
be built on a 1 1/3 acre site own-  
ed by John J. James, who  
when the bank had an option  
to buy the land. The associa-  
tion would use 6,000 feet of the  
12,000 foot structure for a  
branch office, according to  
president Walter B. Foster.  
Another 4,000 square feet  
would be leased to Mr. Jan-  
ick's Craft Dry Cleaners,  
which would move from its  
present location across the  
road.

The site is located in a light  
industry, research and office  
zone, and the zoning approval  
was a reaffirmation of a varian-  
ce originally granted by Mr.  
Janick. Nassau Savings' main  
office is at 194 Nassau Street.  
The board also approved the  
conversion of a garage into a  
small prime office and a new  
office in cooperation with the  
Princeton Chapter of Ameri-  
can Red Cross. Classes will be  
held in the air-conditioned  
meeting rooms in the Hospi-  
tal of Princeton.

To the Editor of Town Topics:  
Having been a resident of town  
since Aug. 1961, I am writing to you  
regarding the Planning Board cast its  
unfortunate vote on "the Tower".  
and the press having either  
failed to lead to understand  
or chosen to ignore the statement  
of principle I find I must  
put it in letter form.

My prepared application  
to the Board was denied because  
the significant point at issue  
here is not "the Tower", but  
rather something much more  
important than the tower.  
The issue deals with the concept  
of law and equal protection under  
the law and, in fact, the  
concept of limited government  
on which all of our freedom  
rests.

If an appointed Planning  
Board has the power to veto  
any local legal application  
as unpopular, then there is no  
equal protection under the law  
for anyone. If we have to lost  
sight of the fundamental concept  
of our constitution that such an  
action is supported in the courts,  
then we desperately  
need an ordinance to specifically  
remove this kind of authority  
from the Board.

I ask all who read this to  
consider carefully the implications  
of opening this Pandora's Box before they  
rejoice prematurely in the ab-  
solutely popular decision this  
Board has made.

Statement prepared for meeting  
of Aug. 4.

Before making my motion I  
would like to present the  
reasons for my action. I speak on  
my own behalf, not for the  
Planning Board.

"The government of this Republic  
has one principal characteristic  
which sets it apart from almost all others since  
the beginning of time. That basic difference is the  
rule of law and equal protection  
under the law for all citizens.

The applicant in this case  
was complied fully with every  
condition in our ordinance, in  
some cases he has far exceeded  
them. The issue here is not  
what rights his property has  
prior to the law cited, but  
whether he is to do regardless  
of the popularity of what he  
proposes.

If this legal right can be  
arbitrarily negated by a board  
of appointed officials, the right  
of equal protection is gone.  
In such case we have substituted  
arbitrary rule by people  
who are not qualified to make  
such decisions. We are not  
talking about the planning  
bodies not being forced to  
recognize the limits imposed  
on them by the law, freedom for  
all individuals is at issue.

If the ordinance under  
which we are considering this  
application is a bad one, the  
proper course of action is to  
apply for a variance or to  
mitigate revision of the ordinance.

Obviously this application  
has been made prior to  
such procedure, and therefore  
must be approved, or it  
is disapproved under the present  
law.

"Two significant objections  
to this application have been  
made. The first is in increased  
traffic. This is to me that since  
this is a specifically permitted  
use of the land and no damage  
is caused by the applicant  
it is up to the Township to im-  
prove the streets as necessary  
to handle the resulting traf-  
fic. The second is that no  
commercial development on  
the site would be permitted  
by the zoning. I believe that  
I must put it in letter form

that I have obtained a re-  
quested variance from the  
Planning Board cast its  
unfortunate vote on "the Tower".  
and the press having either  
failed to lead to understand  
or chosen to ignore the statement  
of principle I find I must  
put it in letter form.

My prepared application  
to the Board was denied because

the significant point at issue  
here is not "the Tower", but  
rather something much more  
important than the tower.  
The issue deals with the concept  
of law and equal protection under  
the law and, in fact, the  
concept of limited government  
on which all of our freedom  
rests.

I move the approval of  
the application to the Board  
File No. 10-108-8 with the  
condition that provision be  
made to temporarily impound  
sufficient storm water to  
allow for completion of the  
construction. The nature  
and capacity of such impound-  
ing facility to be worked out  
according to sound engineer-  
ing practice and approved by  
the Township Engineer, based  
on a 10 year storm.

al Planning Board

Where Were the Girls?

To the Editor of Town Topics:  
You may recall article in  
July 30 article about the  
engineering program for  
middle school girls. Boys  
have had an interesting class  
about the program. Apparently  
they were both white and  
black boys corralled, but no  
black boys invited.

Is it not well that girls invited  
(and encouraged) to participate?  
If not, why not?

The first aim designed  
for the program was to  
create interest among the  
middle school participants for  
mathematics and the sciences.  
Is it not reasonable to de-  
sign to increase the interest  
of middle school girls in  
mathematics and the sciences?

Undoubtedly the use of pub-  
lic funds ensured that the pro-  
gram was well liked. I am  
sure that it not be limited to  
boys. With such distinguished  
and capable people involved  
in the planning of the pro-  
gram, it is hard to understand  
how they could overlook that  
kind of discrimination.

Of course, if (and the quest  
needs an answer) girls were not  
excluded by invitation, educators in the  
Princeton schools would  
wonder why such an exciting  
and attractive program ap-  
pealed to 32 boys, but failed  
to interest one girl.

JUDITH D. DERMEN  
212 Main Street  
Pennington

(Editor's note: David Billing-  
ton, director of the program,  
says that the question of ad-  
mitting girls has already been  
raised and will be discussed  
fully with the Community  
Planning Committee that ori-  
ginated the idea of the pro-  
gram.)

Cadet Eugene K. Allen, son of Mr. and Mrs. Eugene Allen, 108 Shad Brook Lane, will receive a financial assistance grant from the Air Force Reserve Officers Training Corps at Stevens Institute of Technology.

Cadet Allen, a 1967 graduate of Somerville High School where he was a National Honor Society member, is working toward a degree in electrical engineering. His grant will cover the full cost of tuition, laboratory expenses, incidental fees and an allowance for books. He will also receive an extra \$50 a month during the duration of the grant. After graduation and completion of AFROTC requirements, the cadet will be eligible for a commission as an Air Force second lieutenant.

**William O. Fleckenstein**, of Cedarbrook Terrace, Hopewell Township, has been appointed executive director of Switch Engineering and Local Crossroads Development at the Bell Laboratories.

Mr. Fleckenstein graduated from Keystone Junior College in 1947 and received his B.S. in electrical engineering from Lehigh University in 1949. He began his career with Bell Telephone later that year, and has held leading and directorship positions with various telephone companies.

Since March 1968, Mr. Fleckenstein has been with Western Electric Company as general manager of research and development of engineering division.

Dr. Leon Lapides, Chairman of the Department of Chemical Engineering in Princeton University's School of Engineering and Applied Science, has been appointed to The Class of 1943 Professorship in the University "Professorship" recognizing a distinguished teacher scholar without regard for the individual's area of specialization.

A native of Syracuse, N.Y., Professor Lapides, widely known as teacher on both the undergraduate and graduate levels, specializes in the fields of flow measurement, optimization and control, and computer analysis. He is the author of over 90 technical publications, including two major textbooks and several winners of professional awards.

Graduating from Syracuse University in 1945 with a bachelor's degree in chemical engineering, he received his master's degree from Syracuse and earned his Ph.D. at the University of Minnesota. Following a year of postdoctoral study at M.I.T., he joined Princeton's research staff and was appointed to the Department of Chemical Engineering in 1953, advancing to Associate Professor in 1958 and to his present rank in 1962.

Two members of the Department of Politics have been honored by the American Academy: Dr. Harry H. Eckstein, the first incumbent of the IBM Professorship of Foreign and International Relations at Princeton, and Dr. Marvin H. Kalb, Professor of Politics and Public Affairs, former Dean of the Woodrow Wilson School of Public and International Affairs at Princeton.

Dr. Eckstein is a prolific author, whose works include "The English Healin' Service," "Presses Great Powers" and "A Theory of Democracy."

Professor Bernstein, on leave of absence this year at The Brookings Institution, Washington, D.C., is a noted authority on public administration and government-business relations.

## Rebuilding Defense Tigers' No. 1 Task for 1970 Football Season

(This is the first in a series of letters on the prospects of Princeton University's football team in 1970.)

The 1969 football season was transformed from impending disaster to spectacular success in the space of five short weeks largely because a baker's dozen members of the class of 1970 reached the peak of their careers simultaneously. There was major assistance from the coaches, of course, and the 13 seniors who stayed in the still astounding 37-7 route of Dartmouth were primarily responsible for the Tigers' ability to turn a modest 2-2 record into a highly-satisfying 6-3 season and a wholly-surprising share of the Ivy title with the Indiana and Yale.

Now, of course, the seniors are gone, and their places are marked by blanks on the depth chart, which must somehow be filled with something approaching full replacement value by the time the stretch run begins. In at least four positions (the defensive line of tackles Bob Hwang and Tom Hutchinson and end Jim Nixon plus quarterback Scott Mac Bean), it won't be possible to create genuine replacements in a single season. But a success comparable to that of last fall must rather be based on improvement elsewhere, blended with adequate personnel on the part of those who replace the three defensive stars plus the near-fabulous Scott Mac Bean.

Of the 13 seniors who have concluded their careers, seven were starters on offense and six on defense. However, of those lost on offense, five were linemen, of whom there are a number of capable replacements, a situation which also prevails at fullback. Accordingly, the most difficult task of rebuilding is among the decimated "front five" and in the deep secondary on defense.

Overall, Coach Jake McCandless has 11 lettermen and has 16 returning. The attrition from last November is worse by two than it was a few weeks ago: an end, a tackle, a linebacker who had been counted on for key contributions to the defensive plateau have both had to give up football while still in college.

The full report on offense shows that in addition to the five linemen and two starting backs who have graduated, the immediate replacements are needed at left tackle and at quarterback. On defense, which must first replace the three men on the line and the trio in the deep secondary, losses include top reserves at both ends and one of the linebackers spots. Numerically, the greatest number of departures is at end, where eight of the 12 departed last semester played; conversely, all of the centers, the flanker backs, the middle guards and all but one of the linebackers will return.

Of the 19 seniors who were lettermen, nine won them in each of their three seasons on the varsity—an unusually high number. Six earned All Ivy status in their final year.

By positions, these are the men who must be replaced:

**Offensive End:** Both starters, Ron Gordin and Mike Birns—who between them caught more than 40% of the passes the Tigers completed last season. Both were good blockers. Birns, despite his 5-7 frame, was an innovative split end and also handled almost all of the punt and kickoff returns.

In addition, two-year letterman Paul Miller has graduated, as has Stewart Dull. The latter, a converted center, did not see a great deal of action.

**Offensive Tackles:** Ed Gordon, a versatile 205-lb. two-year letterman who was used

## SPORTS In Princeton

at both guard and tackle but started in the latter capacity last November, when injuries so dictated. Jim Fleckie, who also played both of those positions during his career, and finished as the top replacement at left tackle, has likewise graduated.

**Offensive Guards:** As is the case at end, both 1969 starters are lost this year. Rich Guerin, though solid and durable, is gone, as is the versatile Dan White. The last single wing, quarter back in Princeton history, White

Continued on Next Page

**SCORING PUNCH GONE:** Fullback Ellis Moore, who scored 28 touchdowns in three years, is one of 13 starters the Tigers must replace this fall.

**Concerning Football** ...  
used his blocking ability to make a highly successful conversion to a starting berth in the line. Both Guerin and White were three year lettermen.

**Cesters:** None.

**Offensive Backs:** The one two punch at the top of the fullbacks in modern Princeton football history. The latter was Ellis Moore, outranked at all probability, only by Cosmo Gagliano and Mike Miles, a product of the Bill Roper era. Bothered by an insipient hernia in his senior year, Moore was far from his stride when he scored five touchdowns against Harvard as a sophomore may stand as an ivy record for some time.

While revolutionized the defensive line, the 1970s brought 1970 problem, the biggest single loss was created by the graduation of Scott Mae Bean, in a matter of seconds he completed the difficult transition from single-wing tauback to T quarterback, his running and passing enabling the Tigers to outscore the opposition in their final five games, 175 to 56.

MacBean finished the season as the nation's best and a vital offensive by wide margin and took such legendary names as Dick Kazmaier and Dave Allard out of the Princeton record book in a matter of seconds.

"He was a team leader, a quarterback who could pass beautifully and who could run well when necessary," McCandless says of him. "We cannot hope to develop someone like him in a single season."

Gone, too, is Arnie Holtberg, who switched from being a good linebacker to a good quarterback. In limit-

**VERSATILE PLAYER GONE:**  
Dan White, a three-year letterman, began his career as a starting guard, is among five members of the offensive line whom Princeton must replace this fall.

ed action behind MacBean, Holberg completed better than 75% of his passes for 220 yards and 19 touchdowns last fall and their departure leaves Princeton with no player of adequate varsity experience there. Also a senior last fall was Ted Edelbach of Pennington, who was spot duty as Stronge.

**Defensive Ends:** Jim Nixon, Tom Peters and John Holden. Another of the three year lettermen to go, Nixon combined fine play reading angles with solid tackling and will be sorely missed. Peters was used sparingly because he was the back up man for the fine sophomore, Steve Sutora, selected after more years of eligibility and would have been the ranking replacement for Nixon, but has been told for medical reasons that he must forego football.

**Defensive Tackles:** A knee injury in the Rutgers game as a sophomore kept Tom Hutchinson from earning three letters, but the tall Pennsylvanian put in two fine years thereafter, converting from end to tackle last fall. Flows, who got his tenth win (and bigger and bigger), stood 6'6 and weighed a good 260 in his senior year — a combination of quality and size which led to his being drafted by the world champion Kansas City Chiefs.

"You do not," says McCandless, "inorthright, cut wifely fashion, can't replace three defensive linemen such as Hutchinson, News and Nixon from one season to the next."

**Middle Guards:** None. **Linebackers:** This extremely well fortified position would have helped at training camp free, since there were no seniors playing there last fall. However, Chris Wangh, a two year letterman who came to Princeton this year, has been awarded an Urban Aid grant and will spend three days a week in New York next fall working on his thesis. Football as a vocation dropped out of his future.

**Defensive Backs:** Three of the four deep backs (both corner backs and one safety) have departed via the diplomatic route. They are, respectively, Keith Manney and Pete Lips, both three year letter men, and Mike Manzo, who will have joined them in this achievement had not a broken wrist which kept him out of action for part of his sophomore year.

Manzo, though enough to be a early draft choice of the Atlanta Falcons, started all 27 games of his varsity career and earned all Ivy League honors as both a player and a captain. In three years, he picked off ten opposition passes for a total of 200 yards and one touchdown. Manzo and Lips were a pair behind him in ability and the 1969 statistics reflect the effectiveness of the two plus

seasons they put in working together.

During the fall, the Tigers led the Ivy in least yards allowed passing and had only one touchdown scored against them in the fall, a heavy effort thrown by Harvard in the final seconds of the first half, when the Orange and Black had edged out to a 35-30 lead. Coming with the Hutchinson News, Nixon trio, Manney, Manzo and Lips were responsible for holding the opposition to an average of just 180 yards in the final five games of the season. Small wonder that Jake McCandless hopes the Tigers can hang enough points on the board so the defense is learning how to be as stingy as Stronge.

**Next Week:**  
The Sophomores.

**TO SWIM IN NATIONALS:**  
Jane Fremont, Hector Quail, Jim Fremont and Chuck Hector of Princeton have qualified for national championship swimming meets.

Jane Fremont qualified for Championships by virtue of her performance in the 100 meter freestyle race at the Eastern Championships in Lancaster, Pa., last weekend. Her time was 1:03.1, which was good

enough for a third place. The National Championships will take place in Los Angeles from August 24 through August 27. Jim Fremont, a junior graduate of Princeton High School, will enter Princeton University in September. She is affiliated at present with Morris Aquatic Club in New Britain, where she works with coach Bill Palmer, and teaches swimming. The Shore Aquatics team consists of the Hutchinson News, Nixon and Stronge trio, Paul Fairen and a half dozen relay team to the Nationals.

Chuck Hector qualified for the National Junior Olympic Championships, to be held this week in Knoxville, Tenn., when he won first place in the 100 meter butterfly race in a time of 1:03.10 and 14th in the Region 1 Junior Olympics. The Championships at Clifton Knolls, N. Y. His time was 1:19.4.

Hector will enter ninth grade at Peabody School in September. He works with coach Rob Beauvais and where he won his varsity letter in swimming last year, Hector is also affiliated with the Princeton Y.

Mrs. Rapides, who was an adult singles player six years ago, next week she will compete in the Girls' National Champion ship at Philadelphia Cricket Club.

Also earning recognition, her younger brother, Tom Rapides, was the only other Princeton player to advance to a singles semi-final. Jay was defeated 75, 62 by Rick Stillman of Metuchen. No, I seed and ultimate winner of the division.

### CONTE'S BAR IN FIRST

As Regular Season Ends, Post-season playoffs for the championship of the Princeton Adult Softball League began last week with Conte's Bar the odds-on favorite off its strong finish in regular season play. Conte won twice last week to finish second in the regular Teague and Hinds two games.

Monday night, Conte's squeaked by Nassau Conover, 5-3, with Ray Cranstoun, Doug Watson and Jack Roberts collecting two hits apiece. Quin Olsan hit his and also scored twice. Dick Olson and Frank Zalivna contributed to two hits to Nassau Conover.

The second night out, the Barmen had an easier time of it, trouncing Harrison Athletic Club, 13-2, with runs in every inning. Scott Anderson had a home run and a double. George McVaugh and Jack Roberts each belted triples. Don Betterton led HAC with two safeties.

Led by David Swanson and Ray Price, who had seven hits between them, the Outlaws gunned down Teague and Hinds, 10-9, in an extra-inning contest that knocked Teague out of first place. The Outlaws took the winning run with two out in the eighth with a single. Don Butts had a three-run homer for Teague.

Wednesday night Teague dropped its second game to Ivy Inn. A five-run sixth inning turned the trick for the victors, who pounded out 14 hits. Dick McCluskey was the winning pitcher.

PHS ALUMNI PLAYING FOR IVY INN: Bill Cirillo (left) PHS '66 and Jim Case PHS '65 are catcher and shortstop, respectively, for Ivy Inn in the Adult Softball League. Both were tailbacks on the football team in their senior years. Cirillo will teach this fall at Community Park School.

winning pitcher.

HAC won its third game of the season, 28-14, over Ivy on Monday. Pitcher Ed Shearer Tree, 18-6, and batter Calvin Johnson drove in 16 runs.

Jack Rossi had a triple for the winners, and Craig Donald was the winning pitcher.

Varsity Softball held on to its lead in the league with a 15-8 win over the Outlaws.

Sam Procaccina had four of Varsity's 21 hits, and scored three times. The league's lead hitting batter, Gerald Edwards, had the result of a recent automobile accident, but didn't let it bother his hitting, as he picked up two safeties.

In the final game, Conte's and Varsity were involved in one semi-final round, while Teague and Ivy Inn are matched in the other. Each is best two out of three games, with the winners playing a two of three series for the championship.

The standings:

	W.	L.	Pct.
Conte's Bar	13	3	.812
Teague & Hinds	11	5	.687
Ivy Inn	9	8	.500
Varsity Sport	8	9	.437
Nassau Conover	7	9	.353
Outlaws	6	11	.333

RCA BEATS NCA

Leads as Last Week Begins. Tuesday night's games were expected to decide who would finish first in the western division of the Business Software League, with the race way tie between RCA A, NCA and Cities Service a possibility.

RCA A tightened the race up last week by crushing NCA 29-0. Pounding out 34 hits, RCA scored in every inning but the first, getting a two-run first, second from, in the third, eighth in the fourth, two in the fifth, one in the sixth and finishing with five in the seventh.

Wally Reffert allowed only one runner to get as far as third base, in scattering 10 hits for the win. Ran Infantil had six for Six Reffert, five for five, Mel Sanders four for four, and Phil Moody, three for four.

In other games, Cities Service picked up an effortless win, when RCA Astro forfeited the game. Firmenich beat Hopewell.

The standings:

	W.	L.	Pct.
RCA A	13	3	.812
NCA	10	4	.571
Cities Service	10	4	.571
RCA Astro	8	6	.571
Hopewell TV	3	10	.231
Firmenich	3	11	.214

Last 16 at Princeton University at 8:30 and returning by 6 (Rain date will be same or arrangements on Wednesday.)

The clinic will be conducted by the best known players and will be televised. After the clinic everyone will be given free tickets to watch the matches.

This is a major USLTA event featuring internationally top ranked players at a grass court club in Philadelphia. The entry cost is \$2 for the hour. Everyone should bring a picnic lunch.

Many adult chaperones will be needed. They will also quiet the crowd and sell the free tickets to the matches. Anyone who wishes to go should sign up at the Pagoda, Church or Community Park courts or Joseph Diemach's office. Karen Fitzpatrick, who cannot sign up in person, call Karen Fitzpatrick to reserve a space #24 219.

#### SWIM CLUB LOSES

On Last Relay Event, Nassau Swim Club dropped a close meet last week to the Valley Swin Club of Flemington. 61 to 60. The Valley team hung on to the final event, the boys step up relay relay.

Valley's visitors quartet consisted of three brothers, Linda and Mike Doyle, and Brian Baumann. They also won their individual races.

First place finishers for Nassau included Dave Freeman, Gretchen Dohrert, Abbie Wilson, Carrie Bolster and Mike Martin. Both girls' relays were also won by Nassau.

Members of the winning team in these events were Carrie Bolster, Becky Freeman, Brinda Bresce, Jane Boller, Abbie Wilson, Mary Baker, Gretchen Dohrert and Mike Martin. Nassau's record is now 2-2.

#### BEDFORD BROOK WINS

In 13th Cook's Swimming Meet, Amusing 104 points, the Bedfords Brook Swim team captured the Brooktree Invitational meet, for its second win in a row. The girls' team won the third and fourth straight first-place finish in Princeton meets.

Warrenbrook tallied 72 points to place second, Crossroads with 66, Princeton third, Nassau 54, and Brooktree fifth, 43. Other teams in the meet included Penn Brook, Stony Brook, Cranbury, Lakewood, Woodbridge and Westfield.

Earlier this summer Bedfords Brook won the Princeton area championships at Stoneybrook by a four point margin.

#### MISS LAPIDUS WINS

In Trenton Tennis Tournament this past week, 33 of the Princeton area's top players competed at Cadwalader Park in Trenton to compete in the annual Trenton Junior Championships, a sanctioned USLTA event.

Winning the title was Mary Lapidus, who walked away with the Girls 18 title, defeating Trenton's Karen Garling.

Terry Blake reached the semi-finals in both singles and doubles of the Girls 16 division.

In singles she was defeated by Debby Peck, 60, 6, 5 and in doubles, with her partner Pam Morris, lost in three close sets 64, 66, 57.

The girls also fared well reaching the finals of the Boys 16 before he was ousted 6-6, 6-3, 6-3.

Mary's brother Jay reached the semi finale of the Boys 12 where he was defeated by the eventual winner, Rick Shinn, 75, 62.

Others who did well were David Straut, Danny Thompson and Ramona Goff, who all reached the quarter finals of their respective age divisions.

Those entering from the Princeton area were: Randy Alton, Alan Steane, Bill Toth, John Davis, Fred Berkelsammer, Jill Berkelsammer, Philip Glouchevitch, Charlie Maffei, Cam Foyens, Mead J. J. Caputo, Murray Lapidus, Terry Blake, Dan Schulman, Sam Lamar, Danny Thompson, Chris Lillie, Bob Silverman, Jonathan Siegel, Steven Miller, Kevin Little, Sheri Baumer, David Baumer, Debbie Baumer, Darren Hicks, Libby Hicks, Neil Lejkowitz, Adam a.m. Bill Schmitz, David Stratton, Jeff Lytle, Patti Kidd.

The next tournament will be the Eastern Pennsylvania Boys Championships at Philmont Country Club, Anykton, Sept. 10 in following events for this age group should call Mrs. Melvin Schulman, 924 7235 or see Joe Zeller, Diemach at the University Courts.

#### TWO FROM HERE REACHEN

In National Junior Tennis, two of Princeton's top junior tennis players traveled to Kalamazoo, Michigan, last week to take part in the annual National Junior Boys' Tennis Championships, but were beaten in the early rounds by tough opponents.

Michael Glouchevitch, a junior at Princeton High School, and Alan Steane, a senior at the Lawrenceville School, were among nine boys selected by the Middle States Lawn Tennis Association to represent New Jersey, Delaware and Pennsylvania in the national United States Lawn Tennis Association Championships. Players must qualify by their tournament record in several events before they are permitted to enter the national tournament.

At Kalamazoo, they ran up against tough competition a majority of the time from every state in the country. Tom Steane was ousted by a Michigan player in three close sets, 64, 36, 64. Glouchevitch met an Alabama player who defeated him in three sets, 64, 64, 61.

The two boys will both be favored entries in their respective age divisions.

### BULLETIN NOTES

**SPECIAL PROJECT ENDS**  
At Unitarian Church. For the past eight weeks, 50 children from Trenton's Woodrow Wilson School have been attending in Princeton Area houses as participants in a summer reading and recreation program co-sponsored by the social action committee of the Unitarian Church and the Trenton Reading Department. A Federal Title I grant was arranged by Tom Cooper of Unander Associates Inc. to fund the bus transportation.

The children, ages 6 to 12, were selected by Mrs. Nadine Williams, reading coordinator at Woodrow Wilson. A high percentage of them have returned from last summer's pilot group.

Program coordinators includ-

ed Mrs. Estelle Best and Mrs. Susan M. Hiltner, Mrs. Mary Ann Easter, Mrs. Jan Flanagan and Mrs. Carol Haag of Princeton; Mrs. Mary Peck, West Windsor, and Mrs. Doris Harley, Trenton.

The program was planned to increase each child's ability in language skills and reading, as well as provide summer fun.

The trips were planned to an individual basis by the 30 mothers, 20 fathers and 20 substitute families. The children often wrote and illustrated stories of their experiences and visits to places of interest.

### MUSIC SERVICE SET

At Princeton Baptist, Contemporary and folk gospel music will be presented by the "Hamilton Squares" during the 10 a.m. service on Sunday at Princeton Baptist Church, Penn Neck.

The Hamilton Squares are a volunteer group of about 20 parents and instrumentalists from the Hamilton Township area.

The Rev. James Olsen, recently ordained at the church,

will give the sermon, "God's Word" and Man's Response." The Rev. Mr. Olsen has been called as pastor of First Baptist Church, Factoryville, Pa.

## IMPOSSIBLE? — POSSIBLE!

A three bedroom home in a fine established section of Princeton — at less than \$35,000!

Walking distance to all schools, to downtown stores and the University, and to the shopping center.

Our find boasts a side hall entry, pleasant living room with adjoining heated sun porch, good sized dining room, and small enclosed rear porch.

Upstairs, three bedrooms and bath, and a finished attic — great as a small play area.

Detached double garage, full basement and pretty rear yard. Sure it needs your special touch in decorating — but well worth it.

Offered for fall occupancy at just \$32,500.

### ONCE-IN-A-LIFETIME BUY

If you know the Princeton real estate market, then you'll agree that nothing else in the \$80,000's can compare with this architect-designed, custom built colonial on its two wooded acres in Princeton's Western Section. Large center hall, step-down living room with fireplace, paneled study with fireplace and adjoining lavatory, dining room, sunny family room opening to screened porch, terrific kitchen, mud room, children's lavatory, hobby room, 4 bedrooms, 2 baths, master dressing room and laundry on second floor. Attic and basement. Two car garage. Couldn't possibly be reproduced for the price; if we needed a house we'd snap it up ourselves at \$89,500.

## FOUR HOUSES THAT WON'T RUN YOU

Whether you're giving up a big house and hoping to consolidate,  
or are just longing for the ease and convenience of one floor  
living, here, for you to consider, are four interesting houses in  
admirable locations:

**ALLISON ROAD:** elegant Western Borough setting. Comfortable 3 bedroom,  
2 1/2 bath house, has broad entrance hall, living room with fireplace, separate  
dining room, study, modern kitchen with breakfast area, 2 car garage. Walk to  
all things Town and Gown. Very much available al

\$78,500.

**CHERRY HILL ROAD:** Amid towering shade trees and banks of pachysandra,  
a small, artistic house just made for a couple whose passions are gardening  
and entertaining. Attractive entrance hall with bar; big, square living room  
with fireplace; wall of bookcases and door to the terrace. Formal dining room  
overlooking the garden, brick floored garden room with walls of glass, double  
guest room and bath and modern kitchen, all on ground floor. Up a few steps,  
is the most luxurious master bedroom suite in town with balcony glass wall  
facing the woods. A fascinating house at

\$68,500.

**SPRUGHTLY CONTEMPORARY:** Located in a grove of protective trees on an  
acre and a half in Elm Ridge Park. The house is contemporary in design and  
detail and has a most practical floor plan. From the entry way, there are two  
steps up to a living room with paneled fireplace wall, beamed ceiling, and  
sliding glass doors to a two-level outdoor deck. The separate dining room leads  
to a most efficiently equipped kitchen and an adjoining family room with sliding  
doors to the outside. The bedroom wing has four bedrooms and two baths.  
There is a large paneled room in the basement as well as finished laundry  
and workroom. Two-car attached garage. Central air conditioning.

Just reduced, \$59,500

**ON WINANT ROAD:** one of the most attractive locations in Edgewater,  
you'll find this most unusual, architect-designed house on a small, shady,  
easily-maintained lot. Inside, there's an entrance hall opening to an intriguing  
two level living-dining room with floors of dark-oak and waxed flagstone  
and walls of glass overlooking a secluded, fenced patio and leafy back garden.  
The kitchen is new and a cook's delight, with plenty of space for a relaxed  
meal. There are 3 bedrooms, two on one side of the house and one, by itself,  
on the other and 2 baths. Big utility room, usable, light basement. DIFFERENT  
AND APPEALING.

Maybe we didn't spell it right, but we sure made it right. And right smack where it belongs — in the woods. This fantastic contemporary simply defies description. Strictly one of a kind, and incomparable from the word go. Zig-zag roof lines, exposed beamed ceilings, thermopane glass walls — the works. And functional as can be, with a large living room and marble fireplace faced with brick travertine, dining room, very special and spacious kitchen, 4 bedrooms, 3 baths, study, game room, basement, 2 car garage. With all sorts of special features, such as cork floors, built-in-bar, self cleaning oven, outside redwood deck — to mention only a few. In a picture-like setting in Princeton's Riverside, overlooking Lake Carnegie.
